Dear Council Member and Club Representative

RE: Matildas v New Zealand International Sunday 24 June

I am writing to you to inform you with the exciting news that the Matildas will be playing an international match against New Zealand at **WIN Stadium on Sunday June 24 kick off at 3pm**. The New Zealand team is ranked No.18 in the World and the Matildas, being the current AFC Asian Cup holders are ranked No.10.

The preliminary game will be a 1st grade Football NSW Women's Premier League fixture between the Illawarra Stingrays and Gladesville Ravens. This match will **kick off at 1pm**. The Stingrays have had great success and is the benchmark Club in NSW having won the Premier League double for last three years running.

These matches are a part of the opening celebrations for WIN Stadium. It is not often that Wollongong gets to host a prestigious football international event so it would be great if we can get as many people out there supporting both the Matildas and the Stingrays. The gates will open at 12.30pm and tickets are available as of Friday May 18 through Ticketek and also Westfield Ticketek outlets (see attached press release from the WIN Sports & Entertainment Centres).

I am aware that there is local competition games scheduled on the Sunday afternoon. If you do want to move your fixture to an alternative time to enable your teams, members and supporters an opportunity to attend this special event please do let your respective Council or the FSC staff know ASAP.

If you require further information please do contact me on 4285 6929 or ceo@footballsouthcoast.com

Yours Faithfully

Bill Kostandas
